

Pastor's Message by Rev. Bruce Fensterbush

What really happened at the 2019 special General Conference? The following information represents, to the best of my knowledge, what happened and what is going to happen next.

During the final session of the General Conference on Tuesday, February 26, the legislation called “The Traditional Plan” was passed by a vote of 438 to 384. A motion was then adopted by a vote of 405 to 395 requesting a “declaratory decision from the Judicial Council on the constitutionality, meaning, application, and effect of the Traditional Plan as amended. The Judicial Council will issue a declaratory decision during its April 23 – 26, 2019 session.

The Judicial Council had previously ruled on the constitutionality of the Traditional Plan petitions on two prior occasions. First, in Decision 1366, the Judicial Council reviewed the constitutionality of these petitions at the request of the Council of Bishops. Second, in Decision 1377, the Judicial Council reviewed the constitutionality of these petitions at the request of the Legislative Committee of the special General Conference. Pursuant to ¶ 508 of the Discipline, those portions of the Amended Traditional Plan declared constitutional by the Judicial Council will be effective on January 1, 2020.

It is unlikely that the Judicial Council will overrule the two previous decisions so the following represent the parts of the Traditional Plan that will go into effect on January 1:

90032 (expanding the definition of self-avowed, practicing homosexual)

90036 (prohibiting bishops from consecrating as a bishop a person who is a self-avowed, practicing homosexual, or from commissioning or ordaining a person the Board of Ordained Ministry has determined is a self-avowed, practicing homosexual or fails to carry out the disciplinary mandated examination)

90042 (establishing minimum penalties for performing a homosexual or same-sex wedding ceremony)

90043 (prohibiting the Board of Ordained Ministry from approving or recommending any person for candidacy, licensing, or ordination who does not meet qualifications for ministry based on full examination and thorough inquiry, and requires the bishop to rule any unqualified candidate out of order and not eligible to be acted upon by the clergy session)

90045 (requires a just resolution to state all identified harms and how they shall be addressed)

90046 (requires the complainant to be a party to the just resolution process and that every effort be made to have the complainant agree to any resolution before it takes effect)

(see description below)

B.A.S.I.C. Brothers and Sisters in Christ Adult Class (Room 8)

Format of class: *Discussion/DVD*

Leader: Harry Owens

Current Study: Irresistible by Andy Stanley

Once upon a time there existed a version of our faith worth living and dying for, something the world found irresistible. Men and women pursued it at the risk of persecution, job loss, and eviction from their homes, temples, and society. What if we actually followed their lead? Perhaps it would change how we read the Bible? Perhaps it would help us understand our own faith and what we believe? Perhaps we would change the world again?

In *Irresistible*, pastor and author Andy Stanley shows how distortions of the gospel have left us with an anemic version of Christianity that undermines our credibility and our evangelistic effectiveness. He takes readers on a fascinating journey back in time to recover a faith so rich, so dynamic, so disruptive, that it could not be ignored, marginalized, or eradicated. Rather than working harder to make Christianity more interesting, we need to recover what once made faith in Jesus irresistible to the world.

Loyal Bible Adult Class (Room 9/10)

Format of class: *Lecture*

Leader: Rotating Leaders – See Wayne Schwartz for details

Current Study: The International Uniform Series believes the Bible is the record of God in Christ, the key resource for understanding the Christian faith, being under the Lordship of Jesus Christ and the fellowship of His Spirit. This fall quarter is concentrated on the theme God's World and God's People in the Old Testament and study Scripture passages from Genesis.

Pastor's Message (continued from page 1)

90047 (grants the church right of appeal based on egregious errors of church law or administration)

Additionally, the special General Conference adopted an amended petition 90037 (requiring that persons nominated to boards of ordained ministry certify he or she will uphold, enforce and maintain the Discipline in its entirety, including but not limited to all qualifications for ordination).

The special General Conference also adopted legislation providing an exit ramp for local churches. The legislation was “effective as of the close of the 2019 General Conference.”

The following petitions, adopted by the special General Conference, are likely to be held unconstitutional by the Judicial Council:

90033 (provides process by which the Council of Bishops places a bishop in the retired relationship with or without their consent – no right of appeal provided)

90034 (provides process by which the Council of Bishops places a bishop in an involuntary leave status – no right of appeal provided)

90035 (provided a process for accountability for bishops through the Council of Bishops; constitutional issue – no right of appeal provided)

90038 (requires Board of Ordained Ministry to conduct an examination to ascertain whether an individual is a practicing homosexual and certify that the examination has occurred; prohibits recommendation of an individual to clergy session if it is determined that the individual is a practicing homosexual)

90039 and 90040 (requires annual conference to certify that the bishop nominates only persons to Board of Ordained Ministry who upholds, enforces, and maintains the Discipline related to ordination and marriage of practicing homosexuals, and imposes consequences for failing to do so)

What Now? As a denomination we are in a season of waiting. For now, the teachings of the United Methodist Church on the definition of marriage, ordination standards, and sexual ethics remain as they were before the special General Conference. The Judicial Council will decide if the changes approved by the General Conference in February become church law next January.

Till then, I would ask that you join me in continuing to pray for God's guidance as we work together to discern the future for our denomination and for our congregation always trusting in God's love for every person and His desire for us to love one another as Christ loved us.

Till next time.

Pastor Bruce

Youth Ministries By Megan Wilson

I want to say a big thank you to everyone at Otterbein for welcoming me into this new role of Director of Youth Ministries. It has been such a blessing so far and I am looking forward to more moments with the youth! We have had a busy spring season so far. We started a mid-week gathering on Tuesdays that occurred every Tuesday in February and March where we talked about various topics. Also, we started serving the community more on Saturday mornings partnering with Project Share! Thank you to everyone who came out to support the Youth Group at the Dinner Theatre on March 16th!

We are now working through the Simon Peter series (youth edition) during our gatherings on Sunday nights which will conclude that on Palm Sunday! In April we are having an in-church spring retreat themed, "One Step", where we will learn about taking steps of faith and highlighting Peter's life. Also, come enjoy the Easter Sunrise Service that the youth group will be leading. In May we are looking forward to a Family Movie Night, Youth Sunday, and celebrating our graduating seniors!!

Thank you again for all your love, support, and prayers for the youth group. They are all uniquely amazing and have touched my life already!

Bright Beginnings Child Care of Carlisle

We are looking forward to welcoming Spring after the cold winter months. The kids are looking forward to the Easter Egg Hunt in April. Thank you in advance to everyone who is willing to donate candy and prizes. Additional donations are always welcomed and deeply appreciated. BBCCC is always in need of sidewalk chalk, Clorox wipes, tissues, and healthy snacks/drinks if anyone is interested. We are also accepting enrollments for 3 & 4 year olds at the end of August. Spots are limited and do fill quickly. Our preschool class will be looking forward to their graduation ceremony here at the day care on Friday, May 17th. What an awesome time this is for the kids and their families. In the past, you may have noticed information on coming in to volunteer your time for a morning (or more) to see what the kids enjoy doing during the day. BBCCC will be closed on May 27th to observe the Memorial day holiday. Wishing you all have a blessed holiday weekend!

Missions Updates and Opportunities (Continued)

Many thanks to all those in the Otterbein Family who participated and help finance our most recent Mission Events. They included the following:

“Hoops, Scoops & Cake for Everyone”

Otterbein Family–The Mission Committee wishes to thank all those who helped make **“Hoops, Scoops and Cake for Everyone”** a very special event! This past Sunday, without threat of snow, nearly (80) Adults, Youth and Children attended a fun-filled afternoon of games, ice cream eating and fellowship in the gymnasium. Our goal was to provide information about our three upcoming Mission Trips and Rise Against Hunger, as well as, raise funds to help offset costs for those who want to participate in this year’s trips. Based on our preliminary count, we raised over \$2,100 at our event. We are excited to share these funds with the Teens and Adults who are registering now.

Many thanks to Joe Packowski, who took the lead on the event and who spent months planning, organizing and scheduling the activities, securing the volunteers and soliciting assistance for the day. Thanks to Megan, Brendan, Youth Group Members and all Volunteers who helped with set-up, registration, scooping ice cream, cleaning up and “other duties as assigned”.

A very special thank you to Dan Monken who was our Auctioneer for the day. He did a fabulous job and even seemed to enjoy himself. ***And last but not least were all those Cake Bakers*** who took time out of their busy lives to make cakes and other goodies for the Auction. We had (35) submissions, with several bakers donating more than one item to the auction. In addition, there were a good many Teen Bakers, who submitted some beautiful cakes. We had some extremely creative, interesting, bizarre and tasty donations! As many of you may not have gotten to see these Baked Treasures, we hope to have photos posted of most of them in the near future on the Mission Bulletin Board. Hope you’ll come take a look!

And here is the Break-Down of Winners– Don’t forget to congratulate them!

Most Creative– Joanna Anderson

Funniest– Ava and Bella Packowski

Most in Need of Professional Help– Aaron Mast

Rise Against Hunger– Meal Packing Event; March 31, 2019– Lead– Kathy Singiser

As most of you know, we have been participating in this activity since October, 2015. The March event was the 8th event for our church. You are reminded these meals are distributed to school age children around the world. Although we initially packed 10,000 meals, we have gone as high as 18,000 meals, but traditionally at most events, we pack and ship 15,000. We want to share with you that we have been facing rising costs for these events, however. This Spring, the costs of materials and supplies has risen over \$800 from the Fall, 2018 event and now totals over \$5,100. As a Congregation, you have continued to donate generously to cover these and volunteer your time and efforts during these events. **The Mission Committee appreciates and thanks you for your continued support.**
